USEFUL HINTS BEFORE YOU START:

1. Read each step carefully before starting.

2. It is important that each step is performed in correct order to avoid difficulties.

3. Identify, sort and count the parts before assembly.

4. Assemble your furniture on packaging cardboard to prevent scratch or damage.
5. Clean the product with mild cleanser using soft damped cloth. Do not use harsh or abrasive cleanser.

6. Using uncompatible hardware might cause damage to product.
